Siberia has no history of independent political existence, no claim to a separate ethnic identity, and no clear borders. Yet, it could be said that the elusive country 'behind the Urals' is the most real and the most durable part of the Russian landscape. For centuries, Siberia has been represented as Russia's alter ego, as the heavenly or infernal antithesis to the perceived complexity or shallowness of Russian life. It has been both the frightening heart of darkness and a fabulous land of plenty; the 'House of the Dead' and the realm of utter freedom; a frozen wasteland and a colourful frontier; a dumping ground for Russia's rejects and the last refuge of its lost innocence. The contributors to *Between Heaven and Hell* examine the origin, nature, and implications of these images from historical, literary, geographical, anthropological, and linguistic perspectives. They create a striking, fascinating picture of this enormous and mysterious land.

years, he was the host of a weekend radio show, and a co-host of a morning drive time show. Over three decades, he was affiliated with three major international ministries, pastored two churches, and is involved in marketplace ministry. "Larius" was born in America but has traveled to many countries of the world. Formerly an experienced sinner, but the love and grace of God touched his life and changed everything. He grew up belonging to a denominational church. A dramatic change came in his life during a time of great illness when he was miraculously healed, born again, and filled with the Holy Spirit. Prayer is the key to daily strength, guidance, and the miracles in Saint Larius' life. Being a guest speaker at a large church, one of the Church staff members said she saw two huge angels standing next to Saint Larius, one on the left and one on the right while he was speaking. When asked to pray for a lady in Hong Kong who was sick and had a fever, Saint Larius laid hands on her and prayed. According to the lady's testimony, she saw Jesus walk into the room and touch her; the fever left immediately, and she was healed. After a casual dinner and time of ministering to a U.S. Military Colonel and his wife, the officer said, "I feel like I've been in the presence of a General." Saint Larius is a loving, caring, down-to-earth, humorous and enthusiastic person, with a common-sense approach to life, the scriptures, and in his worldview.
