with multimedia. Students will create articles and use spreadsheets to plan a school trip. Each activity is clearly introduced, with step-by-step guidance to help learners master new skills. Key words and visual examples support students' understanding. Download source files for activities from our website.

Help your students learn essential ICT skills, from Microsoft Office® basics to animations and websites. This series brings a fresh approach to ICT for students from 5 to 14 years old, mapped to the Cambridge ICT Starters syllabus for examination from 2019. Initial Steps takes students through working with text, images and graphs while introducing them to email, searching and programming. They'll use search engines to help them research topics, write a group story using email and begin programming using Scratch. Each activity is clearly introduced, with step-by-step guidance to help learners master new skills. Key words and visual examples support students' understanding. Download source files for activities from our website.

A complete ICT course for children from five years of age.

Cambridge ICT Starters: Initial Steps uses lively illustrations and screen displays to build and develop children's ICT skills. It shows them how to create and edit stories and poems; create pictures; produce graphs and pictograms; send, receive and reply to emails; and find out information using CD-ROMS. The activities in the book use Microsoft Office XP software, Microsoft Paint, MSWLogo, Microsoft Encarta and Microsoft Outlook Express. Benefits and features include: a close match to the content and order of the syllabus; an easy-to-follow format; learning objectives to help teachers; clear step-by-step instruction in using a computer; and stimulating fun-to-do activities. This book is to be used in the classroom with guidance from trained teachers. Materials and prepared files are available to teachers on the Danawa Resources Sdn Bhd (www.DaRes.com.my) website.

A complete ICT course for children from five years of age.

A complete ICT course for children from five years of age.

Penpals for Handwriting is a complete handwriting scheme for 3-11 year olds. The Year 1 Penpals for Handwriting Practice Book is designed for guided group work and individual practice, once the initial handwriting focus has been illustrated using the Year 1 Penpals for Handwriting Interactive resource. Year 1 is the first time letters are used within words.

The most practical and up-to-date approach to the latest Cambridge IGCSE ICT syllabus. This second edition encourages students to apply practical ICT skills in context, building exam confidence and achievement. To strengthen students' assessment potential, interactive tests are included via online access.
