This is your government! Completely up to date coverage of the landscape of Canadian politics with a thought provoking approach designed to get students thinking about the events that are currently shaping politics in Canada. This text provides students with an introduction to the major aspects of Canadian politics with a special emphasis on the unique challenges our diverse population places on the practice of democracy and good government. With each aspect covered, it raises thought-provoking questions designed to encourage students to think critically about the important issues and topics currently shaping politics in Canada. Featuring relatable examples, a full-colour interior, and a jargon-free writing style, Canadian Politics will engage students and provide them with the foundation they need for future study.

This is your government! Democracy, Diversity, and Good Government, with a unique approach and attractive, four-colour design, is the first new introductory text for Canadian Politics courses to be published in many years. This is a lively text that aims to provide students with the foundation they will need in the discipline, with a minimum of jargon, while raising thought-provoking questions designed to engage their interest in Canadian politics. It focuses particularly on the special challenges for the practice of democracy and good government that arise from the great diversity within the Canadian population.

This is your government! This text provides students with an introduction to the major aspects of Canadian politics with a special emphasis on the unique challenges our diverse population places on the practice of democracy and good government. With each aspect covered, it raises thought-provoking questions designed to encourage students to think critically about the important issues and topics currently shaping politics in Canada. Featuring relatable examples, a full-colour interior, and a jargon-free writing style, Canadian Politics will engage students and provide them with the foundation they need for future study.

"Politics affects many aspects of our lives, such as students' ability to afford higher education and their opportunities in the labour market; our rights and freedoms; the protection of our natural environment; the safety of the food we eat; and the peace, prosperity, and security of our country. Canadian politics is particularly interesting because the country's great diversity poses opportunities and challenges for the practice of democracy and the good government that Canadians expect."--

Electing a Diverse Canada presents the most extensive analysis to date of the electoral representation of immigrants, minorities, and women in Canada. Covering eleven cities, as well as Canada's Parliament, it breaks new ground by assessing the representation of diverse identity groups across multiple levels of government. Electoral representation is an important indicator of a democracy's health, and this book provides both a baseline for future research and an outline of the key challenges facing Canadian democracy.

The Oxford Handbook of Canadian Politics provides a comprehensive overview of the transformation that has occurred in Canadian politics since it achieved autonomy nearly a century ago, examining the institutions and processes of Canadian government and politics at the local, provincial and federal levels. It analyzes all aspects of the Canadian political system: the courts, elections, political parties, Parliament, the constitution, fiscal and political federalism, the diffusion of policies between regions, and various aspects of public policy.

Bringing together political theorists and specialists in Canadian politics, Applied Political Theory and Canadian Politics combines conceptual frameworks from political theory and empirical evidence to offer fresh perspectives on political events in contemporary Canada. Examining complex and timely subjects such as equality, social justice, democracy, citizenship, and ethnic diversity, contributors present current and archival research supplemented with insights drawn from political theory to give readers a deep and nuanced understanding of increasingly pressing issues in Canadian society. For scholars and students seeking a work of political theory that is tangible, focused, and connected to the real world of everyday politics, Applied Political Theory and Canadian Politics will be an important resource, combining philosophical insights and empirical evidence to enhance our understanding of contemporary Canadian politics.
