Aspiring cartoonists of all ages can begin drawing a repertoire of characters from the moment they follow the wide-ranging yet simplified lessons that fill these instructive pages, written and illustrated by an all-time best-selling artist/teacher. This complete course, covering both comic strip and animation techniques, begins with lessons on basic cartoon body shapes and facial features. Included are helpful comparisons between the real versus the cartoon head, a smile chart, and various ways to draw the most popular and expressive cartoon eyes and mouths. Next come lots of typical body poses, how to draw action lines, slow/fast movement, cartoon hands, fun hair and clothing styles, backgrounds, and cute cartoon pets. Excellent directions also focus on helping beginners to find and develop their own cartoon style.

Learn the insider secrets professional cartoonists use to turn regular cartoon animals into completely cute characters Warm and fuzzy characters all have that "certain something" that makes them so memorable and darling. But what exactly is it? This sought-after, ultra-cute quality is based on specific techniques that, when applied to character design, result in irresistible cartoon animals. With Cartoon Cute Animals, these are techniques that you can learn, too! Perfect for anyone interested in cartooning, from the aspiring animator looking for how-to instruction to the expert illustrator seeking inspiration, Cartoon Cute Animals covers the broadest possible spectrum of popular species as well as an array of more exotic animals such as the ferret, armadillo, meerkat, and porcupine. What? You don't know what a Burgess is? -- You can't outline the Monroe Doctrine? -- Recall the 14th Amendment? -- Explain the difference between a sputnik and a beatnik? Then you need The Cartoon History of the United States to fill those gaps. From the first English colonies to the Gulf War and the SSL debacle, Larry Gonick spells it all out from his unique cartoon perspective.

Food and its preparation play an integral role in this novel of a young Italian woman struggling to find her own identity in a family of strong personalities and colorful figures.

A stunning new short play by Caryl Churchill

Conceived as intimate refuges for meditation, delight, and entertainment, Guatemalan houses are exceptional examples of Latin American architecture.

Reported sightings of a hellish hound and the discovery of newly dead desiccated corpses bring Sam and Dean Winchester to Brennan, Ohio. But when they catch the monster canine it turns out to be "Frankenmutt"; a reanimated patchwork of pieces from separate dogs. Soon the brothers are on a trail that leads from mad scientists and biotechnology to a centuries-old alchemists, walking corpses, and an ancient and malevolent power.

It has been called the twentieth century's most beautiful house. Isolated at the tip of a craggy promontory on the Italian island of Capri, Casa Malaparte has captivated modern architects and designers with the graceful power of its lines and the drama of its setting..the stuccoed, Pompeian red box appears to have grown straight out of the rock. Its remoteness adds to its dreamy allure. Its simple shape belies its assertive, sculptural presence."Michael McDonough This handsome book is the first in-depth examination of the Casa Malaparte. Through original correspondence, plans, and drawings, Marià Talamona uncovers written and graphic evidence attributing the house's design to the client (writer Curzio Malaparte) rather than the architect (Adalberto Libera). The book includes archival and current photographs and new drawings, as well as an introduction by Giorgio Ciucci.

Determined to repay those who have sacrificed much for her, Laura Taylor turns her artistic vision to a fabulous dream. From the ruins of a Spanish mission, she will build a splendidly luxurious pleasure resort, frequented by the world's most glamorous people. A woman of indomitable passions and remarkable strength, she is forced to deal with the jealousies and deceptions of those nearest her, and the crushing loss of the husband she adores. But, overcoming the setbacks life throws at her, she is, first and foremost, an artist. And her finest masterpiece by far is the woman she makes herself ...
