(PDF) Class and psychoanalysis: landscapes of inequality

Class and Psychoanalysis draws on existing historical scholarship, as well as on the experiences of the author and other writers in free or low-cost projects, to show what has been learned from transposing psychoanalysis into different social contexts. The book describes how class, although descriptively present, was excluded from the founding theories of psychoanalysis, leaving a problematic conceptual legacy that the book attempts to remedy.

Class and Psychoanalysis: Landscapes of Inequality by ...

Class and psychoanalysis: landscapes of inequality. Review by: Michael Rustin. Differences and inequalities of class are not matters of which psychoanalytic theory and practice take much account, although in the actual experience of analysts and patients the discomforts of class positions and identities are often deeply felt.
