Dynamic Hedging PDF - booklibland.net
But alas, Dynamic Hedging is a strong advanced text which goes through many nuanced topics. For example, he makes some good points on managing option greeks. Some chapters I really enjoyed which are hugely important in practice that you don't learn in any classroom: soft American options, discrete delta vs continuous delta, fungibility.

Dynamic Hedging by Nassim Nicholas Taleb
Now more than ever, the key to trading derivatives lies in implementing preventive risk management techniques that plan for and avoid these appalling downturns. Unlike other books that offer risk management for corporate treasurers, Dynamic Hedging targets the real-world needs of professional traders and money managers.
