Foreword by Steven Pinker Blending the informed analysis of *The Signal and the Noise* with the instructive iconoclasm of *Think Like a Freak*, a fascinating, illuminating, and witty look at what the vast amounts of information now instantly available to us reveals about ourselves and our world—provided we ask the right questions. By the end of an average day in the early twenty-first century, human beings searching the internet will amass eight trillion gigabytes of data. This staggering amount of information—unprecedented in history—can tell us a great deal about who we are—the fears, desires, and behaviors that drive us, and the conscious and unconscious decisions we make. From the profound to the mundane, we can gain astonishing knowledge about the human psyche that less than twenty years ago, seemed unfathomable. *Everybody Lies* offers fascinating, surprising, and sometimes laugh-out-loud insights into everything from economics to ethics to sports to race to sex, gender and more, all drawn from the world of big data. What percentage of

white voters didn't vote for Barack Obama because he's black? Does where you go to school effect how successful you are in life? Do parents secretly favor boy children over girls? Do violent films affect the crime rate? Can you beat the stock market? How regularly do we lie about our sex lives and who's more self-conscious about sex, men or women? Investigating these questions and a host of others, Seth Stephens-Davidowitz offers revelations that can help us understand ourselves and our lives better. Drawing on studies and experiments on how we really live and think, he demonstrates in fascinating and often funny ways the extent to which all the world is indeed a lab. With conclusions ranging from strange-but-true to thought-provoking to disturbing, he explores the power of this digital truth serum and its deeper potential—revealing biases deeply embedded within us, information we can use to change our culture, and the questions we're afraid to ask that might be essential to our health—both emotional and physical. All of us are touched by big data everyday, and its influence is multiplying. Everybody Lies challenges us to think differently about how we see it and the world.

to roll in off the Atlantic and the island returns to the small group of locals who, like her, have decided to make it their home. But when a body is found on the snow-covered beach it sends shockwaves through this tight-knit community and rattles Evvy to her core. The dead woman had worked on the island the previous summer and it seems strange she would have been visiting so out of season. What drew her back and who was she meeting? When Evvy learns that her partner, Ian, was the last person to see her alive, the shadow of the murder falls far too close to home. No stranger to being talked about on the island, where no one's private life is their own, Evvy must protect her daughter, Daisy, from yet more island gossip. Her family's happiness has felt fragile at the best of times and now with Ian under suspicion, she senses they are close to freefall once again. As the icy weather closes in, Evvy will discover that no matter how hard you try to hide it, the truth will always find a way out. A tense and atmospheric emotional drama that will keep you guessing. Perfect for fans of Liane Moriarty, Diane Chamberlain and Sally Hepworth. Praise for Emily Cavanagh:

From award-winning and International best-selling author Melanie A. Smith comes a standalone, steamy bad-boy contemporary romantic suspense novel with a psychic twist. Foul-mouthed and sexy as sin, this bad boy is about to turn her entire world upside down... I'm Frankie Greco. Since I can remember, a little voice inside my head has whispered to me whenever I hear lies. To distract myself, I focus on my career. I recently bought out what used to be one of the hottest nightclubs in Los Angeles, so it's not hard. There are few people I let in, and only they know my secret. But romantic relationships never last long. That is, until I met Julian. I don't know if it was the instant, primal attraction, but I couldn't get a read on this guy to save my life. And I definitely wasn't prepared for what letting him in would start; the pieces of my past that would come back to haunt me. I didn't think it was possible to surprise a girl who can spot a lie a mile away. I couldn't have been more wrong.
