Please note that the Society of Critical Care Medicine is about to unveil the updated 5th edition of this course, with a further refined text as well (hence the 4, rather than 5 star rating). I would highly recommend this to medical students, residents, and non-ICU physicians who may have the need to deal with critically ill patients.

~~Fundamental Critical Care Support 4th Edition - amazon.com~~

This book is a hot mess of confusion. There's no way to understand this info without someone explaining it to you in person or having experience, so classroom instruction is a must. Also, there's info in the book that isn't in the classroom portion, so that's confusing as well. I hope FCCS gets better in the future.
