A brand new version of the best-selling enquiry desk reference text, Know it All, Find it Fast, specifically designed for those working with children and young people in schools, public libraries and at home. Including an invaluable overview of the education system and the school curriculum as well as a comprehensive listing of useful resources by topic, this A-Z covers school subjects from science and maths to reading and literacy, and more general themes such as children's health, wellbeing and hobbies. Each topic is broken down into useful sections that will help to guide your response; Typical questions outline common queries such as 'Have you got any information about volcanoes?' Considerations provides useful hints and tips i.e. 'Geography now encompasses not only physical and human geography but also environmental geography, social geography, geology and geopolitics.' Where to look lists relevant printed, digital and online resources with useful annotations explaining their scope and strengths Readership: This is the must-have quick reference tool arming librarians and teachers with the knowledge to deal with any queries thrown at them from children and young people as well as their parents and caregivers. It will also be a handy reference for parents and anyone working with children and young people in other organizations such as homework clubs and youth workers.

Written to address whole-school issues and professional values in the secondary school, this text

explores the skills, roles, and knowledge needed by those undertaking initial teacher training courses. Creating a bridge between the academic world and the classroom, the book provides: guidance on key issues such as lesson planning, classroom management and assessment practical tips on handling areas of real concern - discipline, workload, job interviews, relating to colleagues advice on teaching beyond your specialist subject and teaching in challenging circumstances a strong reflective focus through case studies, action points and reflection points. Written in line with the updated QTS standards, this book is core reading for all students wanting to get the most out of their initial teacher training programme.

This book develops the reading and writing skills that students will be assessed on in the exams. Using a thematic approach that focuses on the AOs, with SPAG delivered in context, this book supports students of all abilities. Peer and self-assessment activities, end-of-chapter assessments and sample exam papers allow progress to be monitored.

This book provides write-in practice specially designed to support students aiming for Grades 4-6 at GCSE. It has been carefully written to build students' familiarity and confidence with the content and skills required for exam success. A step-by-step 'On your marks' approach hones students' ability to answer different types of exam questions effectively and provides scaffolded support for tricky threshold topics and concepts from the AQA specification. The book includes annotated sample answers and a full set of exam papers to practise exam technique and is suitable for both independent study and in-class exam preparation. Written with reference to the 2019 examiner reports and latest AQA guidance, you can be confident that this book reflects a real understanding of what is required for success at GCSE level. Includes answer guidance to all activities; mark schemes for exam papers will be provided online. Also available: Revision Guide, Fieldwork, Student Book, Kerboodle Resources and Assessment, Kerboodle Book (student access). Also available as printed book: 9781382009553; 7-9 version also available: 9781382009621

Studying a business or economics course unlocks an exciting array of career options for graduates, but competition for university places is fierce. Now in its 13th edition, this lively guide offers detailed advice on what students need to do to secure a place on the course of their choice and what career options are available to them on graduation.

The highly-respected book of reference of sought-after Independent Schools in membership of the Independent Schools Council's Associations: HMC, GSA, The Society of Heads, IAPS, ISA and COBIS.

This book provides an active approach to exam practice with a clear three-step focus on understanding the question, unpicking the mark scheme and improving student answers. UK schools save 40% off the RRP! Discount will be automatically applied when you order on your school account.

Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.

Based on principles of cognitive science, this three-step approach to effective revision combines knowledge, retrieval and interleaving, and extensive exam-style practice to help students master knowledge and skills for GCSE success. UK schools save 50% off the RRP! Discount will be automatically applied when you order on your school account.

This upbeat, easy-to-use guide will show you how to organize your work, revise effectively, and prepare for exam day to give you the best chance of getting that A! Peppered with jokes showing how not to do
