over with this fully illustrated, “delightful” guide to yoga starring man’s best friend (Shutterbug magazine). Inspired by a friend’s mastiff who would imitate his master’s morning yoga routine, photographer Dan Borris created Yoga Dogs, a full-color collection of forty-five different dogs and puppies doing human yoga poses. Don’t worry: No animals were harmed during the making of these images; their extreme flexibility is the result of clever digital trickery. The curious, humorous, and distinctly original pictures are paired with useful information about the poses, as well as some funny canine meditations. “A fresh and highly entertaining visual treat,” Yoga Dogs is perfect for any yogi of the

Get Free Horse Yoga 2018 Calendar

two or four-legged variety
(Shutterbug magazine).

Nearing Hungry Horse By: Carol
Woster Bodil Strand returns home
to Hungry Horse, Montana. The
land has a rich history of miners
and outlaws, artists and religious
communities, proud people living
in a beautiful and dangerous land.
But Bodil finds the town is slowly
being crushed by the vicious
practices of the local social
worker, Walter Schultz, who
breaks apart families and creates
a ruthless cycle of poverty and
dependence. As a reporter for the
local paper, Bodil also acts as
confessor for the townspeople's
secrets, hopes, and fears. There's
Tarra and Morgan, whose
marriage is crumbling under

Get Free Horse Yoga 2018 Calendar

financial strain; Rudy, a struggling veteran; Jane, depressed and in love with Rudy; Pastor Kiefer, too proud to provide for his disillusioned flock; and Owen Wells and his wife, whose grandchildren were taken away by the state on false abuse charges. Bodil tries to write the truth in her articles, to capture the spirit of her beaten and broken neighbors as they try to live lives of freedom and hope. Epic in scope and intimate in scale, *Nearing Hungry Horse* reflects on the peril of supposed progress in a wild land.

Discover these fascinating islands with the most incisive and entertaining travel guide on the market. You can take this handy,

Bovine fascination with yoga is sweeping pastures throughout the world. Cows are turning to this ancient discipline in herds to reap the benefits of relaxation, improved flexibility, and increased milk production. Impossible? One might think so if this fascinating book didn't

Get Free Horse Yoga 2018 Calendar

provide photographic proof of Guernseys, Holsteins and other contented cows demonstrating 45 classic yoga poses including: Downward Facing Bovine (Udder Moooca Svavasana) and Salutation (Hooven Skyhigh). Each amazing full-color photograph is accompanied by an inspiring quotation to motivate readers on their own path to self-fulfillment.

An eye-opening game-changer of a book that sheds new light on how horses learn, think, perceive, and perform, and explains how to work with the horse's brain instead of against it. In this illuminating book, brain scientist and horsewoman Janet Jones describes human and equine brains working together. Using

Get Free Horse Yoga 2018 Calendar

plain language, she explores the differences and similarities between equine and human ways of negotiating the world. Mental abilities—like seeing, learning, fearing, trusting, and focusing—are discussed from both human and horse perspectives. Throughout, true stories of horses and handlers attempting to understand each other—sometimes successfully, sometimes not—help to illustrate the principles. Horsemanship of every kind depends on mutual interaction between equine and human brains. When we understand the function of both, we can learn to communicate with horses on their terms instead of ours. By meeting horses halfway, we achieve many goals.

Get Free Horse Yoga 2018 Calendar

We improve performance. We save valuable training time. We develop much deeper bonds with our horses. We handle them with insight and kindness instead of force or command. We comprehend their misbehavior in ways that allow solutions. We reduce the human mistakes we often make while working with them. Instead of working against the horse's brain, expecting him to function in unnatural and counterproductive ways, this book provides the information needed to ride with the horse's brain. Each principle is applied to real everyday issues in the arena or on the trail, often illustrated with true stories from the author's horse training experience. Horse Brain, Human Brain offers

Get Free Horse Yoga 2018 Calendar

revolutionary ideas that should be considered by anyone who works with horses.

Biographies of veterans who served in Columbia County, New York and a listing of those who served in the Revolutionary War, Civil War, WWI, WWII, Korea and Vietnam from Columbia County, New York.

Think you know everything there is to know about Hammer Films, the fabled "Studio that Dripped Blood?" The lowdown on all the imperishable classics of horror, like The Curse of Frankenstein, Horror of Dracula and The Devil Rides Out? What about the company's less blood-curdling back catalog? What about the

Get Free Horse Yoga 2018 Calendar

musicals, comedies and travelogues, the fantasies and historical epics--not to mention the pirate adventures? This lavishly illustrated encyclopedia covers every Hammer film and television production in thorough detail, including budgets, shooting schedules, publicity and more, along with all the actors, supporting players, writers, directors, producers, composers and technicians. Packed with quotes, behind-the-scenes anecdotes, credit lists and production specifics, this all-inclusive reference work is the last word on this cherished cinematic institution.

A stunningly illustrated guide to simple affirmations for young

Get Free Horse Yoga 2018 Calendar

children, building self-esteem and confidence. When you are feeling scared of something new, Stand tall, Put your hands on your hips, and say: I Am Brave! This brightly hand-lettered board book empowers young readers to lift themselves up! Ten relatable emotions are each followed by a centering exercise and a positive affirmation to be recited, as a practice in mindfulness. Young readers are encouraged to find their inner strength by recognizing and addressing their emotions, instilling a sense of power and self-confidence.

For an accessible, comprehensive global survey of the world's major civilizations, Adler and Pouwels's **WORLD CIVILIZATIONS** offers a
