The Fourth Edition includes three practice exam papers: the first focuses upon Topics 1 and 2; and the second on the full syllabus content and the third targeted towards advanced revision of the HSC course. This gives students the opportunity to test themselves for both the half-yearly, trials and the final exams. The selection of extension activities has been widened with a greater focus on skills revision for key economic theory in the HSC course. Each chapter of the workbook includes: 20 multiple choice questions; 3 short answer questions; a selection of extended response questions; a variety of extension activities to further enhance student mastery of the syllabus content and skills - e.g. independent research activities, economic skills revision sets and class activities.

The activities workbook help the students understand the different issues and aspects of studying economics. The course is skills based. Through the workbook your students will learn the skills of an economist.To help your students develop these skills and discover the economy, the workbook has a number of activities for them to do in each topic. These activities include group work, problem solving, research activities, surveys, casestudies and statistical and graphical interpretation of important economic data. It also directs the students to other sources of information, especially on the internet. The answers for these activities are found at the end of each topic.

The Fifth Edition includes practice exam papers to give students the opportunity to test themselves for both the half-yearly, trials and the final exams. The selection of extension activities has been widened with a greater focus on skills revision for key economic theory in the HSC course. Each chapter of the workbook includes: 20 multiple choice questions, 3 short answer questions, a selection of extended response questions, and a variety of extension activities to further enhance student mastery of the syllabus content and skills - e.g. independent research activities, economic skills revision sets and class activities.
