## Loops And

The loom's simple construction makes it a great way to make items like rag rugs, where the horizontal threads, or weft, are too bulky for frame looms. Cut the warp threads to three times the length of the finished piece. You need one warp thread for each peg on the loom. Remove a peg

## Loops And

First make two loops at the end of the yarn with the left side of the loop on top, like the picture below.

Then pull the right loop through the bottom of the left loop and put it on the hook on the side of the loom, and pull the the tail until it is tight on the peg.
