Old and homeless, he and a small group of friends known as The Camel Club, witness a murder on Roosevelt Island. I read this book many years ago, but for the life of me, I could not remember very much of it. Except for the fact that Oliver Stone lived homeless across the street from the White house and was a mysterious old man.

Of our four main characters in the Camel Club (a team of conspiracy theorists who act as a government watchdog), only one, Oliver Stone, is of any great interest. The other three, while having distinct character traits, aren't really developed and it took me most of the book to remember which one was which.

The man known as Oliver Stone has no official past. He spends most days camped opposite the White House, hoping to expose corruption wherever he finds it. But the stakes are raised when he and his friends, a group of conspiracy theorist misfits known as The Camel Club, accidentally witness the murder of an intelligence analyst. Especially when the authorities are seemingly happy to write it off as a suicide. For Secret Service agent Alex Ford, monitoring the 'investigation', the suicide verdict doesn't ring true. As punishment for sticking his nose where it doesn't belong, he is reassigned to bodyguard duties. His abilities are tested to the limit when he is sent to protect the President during a visit to his hometown, where a terrorist cell has spent months plotting an event that will shake the world. Meanwhile, America's powerful intelligence chief Carter Gray is unnerved when he glimpses the face of an old acquaintance in Arlington Cemetery - but it is the face of a man supposedly long dead . . . And as The Camel Club is poised to expose a conspiracy that reaches into the heart of Washington's highly secretive corridors of power, Alex Ford finds out that his worst nightmare is about to happen . . . The Camel Club by bestselling sensation David Baldacci is the exciting first instalment of a breathtaking series. The Camel Club is followed by The Collectors, Stone Cold, Divine Justice and Hell's Corner.

The #1 bestselling author of The Collectors and Simple Genius returns with *STONE COLD*...an unforgettable novel of revenge, conspiracy, and murder that brings a band of unlikely heroes face-to-face with their greatest threat. Oliver Stone, the leader of the mysterious group that calls itself the Camel Club, is both feared and respected by those who've crossed his path. Keeping a vigilant watch over our leaders in Washington, D.C., the Camel Club has won over some allies, but it has also earned formidable enemies-including those in power who will do anything to prevent Stone and his friends from uncovering the hidden, secret work of the government. Annabelle Conroy, an honorary member of the Camel

Club, is also the greatest con artist of her generation. She has swindled forty million dollars from casino king Jerry Bagger, the man who murdered her mother. Now he's hot on her trail with only one goal in mind: Annabelle's death. But as Stone and the Camel Club circle the wagons to protect Annabelle, a new opponent, who makes Bagger's menace pale by comparison, suddenly arises. One by one, men from Stone's shadowy past are turning up dead. Behind this slaughter stands one man: Harry Finn. To almost all who know him, Finn is a doting father and loving husband who uses his skills behind the scenes to keep our nation safe. But the other face of Harry Finn is that of an unstoppable killer who inevitably sets his lethal bull's-eye on Oliver Stone. And with Finn, Stone may well have met his match. As Annabelle and the Camel Club fight for their lives, the twists and turns whipsaw, leading to a finale that is as explosive as it is shattering. And when buried secrets are at last violently resurrected, the members of the Camel Club left standing will be changed forever. With unrelenting pacing, stunning reversals, and two of the most compelling characters in modern fiction, *STONE COLD* is David Baldacci writing at his breathtaking best.

Before he can lead a covert mission on the orders of the President, a former CIA assassin must track down the source of a terrorist attack and navigate a shadowy world of betrayal and political secrets in this #1 New York Times bestselling thriller. John Carr, aka Oliver Stone—once the most skilled assassin his country ever had—stands in Lafayette Park in front of the White House. Inside, the British prime minister is being honored at a state dinner. Then, just as the prime minister's motorcade leaves, a bomb explodes in the park, and in the chaotic aftermath Stone is given an urgent assignment: find those responsible. British MI-6 agent Mary Chapman becomes his partner in the search for the unknown attackers. But their opponents are elusive, skilled, and increasingly lethal. Worst of all, the park bombing may have been only the opening salvo in their plan. With
