~~THREE SOULS by Janie Chang is a novel set in a particular time in Chinese history. It begins as the protagonist, of the tale, Song Leiyin, "awakens" to discover that she has died but that she has remained earthbound. As she observes the ceremony that is her funeral she is accompanied by three sparks that represent her three separate souls.~~

Three Souls by Janie Chang - Goodreads

As Leiyin delves back in time with the three souls to review her life, she sees the spoiled and privileged teenager she once was, a girl who is concerned with her own desires while China is fractured by civil war and social upheaval. At a party, she meets Hanchin, a captivating left-wing poet and translator, and instantly falls in love with him.

Three Souls Very interesting story of China in the 1930. I really like to read about the life in Asia as it's so different from western culture. This story is about the beginning of communism and how China's ruling families fared during that time.
