Tintin in Tibet follows after a lot of other Tintin adventures, having the same witty action and traveling to far-off places. But it also addresses the issue of the yeti. As an adult, 'Tintin in Tibet' is my favorite book of the entire Tintin series. I am also really glad that the adventures of Tintin are now shown on cable television. If you only had to buy one Tintin book in the entire series (I hope you buy them all), then 'Tintin in Tibet' is the one to have.
