It assesses why recent predictions have gone so wrong and boldly puts forward 10 analytical commandments that can stand the test of time.

To Dare More Boldly by John C. Hulsman | Audiobook ...

To Dare More Boldly is an odd book in which the author ranges across the centuries in search of historical analogies to present problems that will form the basis of a set of rules, indeed "Ten Commandments", to enable the statesman, the general, the captain of industry or the investment banker to avoid mistakes and make the right strategic decisions. The examples and analogies are eclectic: Gibbon and the Roman Empire, the Crusades, Napoleon and the origins of the First World War jostle ...

Ten lessons from history on the dos and don'ts of analyzing political risk Our baffling new multipolar world grows ever more complex, desperately calling for new ways of thinking, particularly when it comes to political risk. To Dare More Boldly provides those ways, telling the story of the rise of political risk analysis, both as a discipline and a lucrative high-stakes industry that guides the strategic decisions of corporations and governments around the world. It assesses why recent predictions have gone so wrong and boldly puts forward ten analytical commandments that can stand the test of time. Written by one of the field's leading practitioners, this incisive book derives these indelible rules of the game from a wide-ranging and entertaining survey of world history. John Hulsman looks at examples as seemingly unconnected as the ancient Greeks and Romans, the Third Crusade, the Italian Renaissance, America's founders, Napoleon, the Battle of Gettysburg, the British Empire, the Kaiser's Germany, the breakup of the Beatles, Charles Manson, and Deng Xiaoping's China. Hulsman makes sense of yesterday's world, and in doing so provides an invaluable conceptual tool kit for navigating today's. To Dare More Boldly creatively explains why political risk analysis is vital for business and political leaders alike, and authoritatively establishes the analytical rules of thumb that practitioners need to do it effectively.

From bestselling author and founder of the Simplified® brand of organizational tools for busy women comes Growing Boldly, a how-to book that inspires us to imagine big, plan well, and then gather the equipment and the courage to go out and do. In Growing Boldly, Emily will help you: Believe in who you are and Whose you are . . . and move past the lies and fears holding you back Figure out what makes you tick and own it confidently Gather all your grit, learned lessons, and tools because it's all valuable Imagine the life you dream of and decide how to make it happen Love your people well so that you create a lasting legacy Clear the clutter and cultivate clarity so you can do what matters most Do the hard work without forgetting to feed your soul Growing Boldly is: A thoughtful gift for a friend or family member Perfect for Mother's Day, Birthdays, or holidays A let's-get-rolling encouragement incentive for yourself Emily Ley has shown us how to give ourselves grace in Grace, Not Perfection, how to simplify our lives in A Simplified Life, and how to replace busyness with true connection in When Less Becomes More. Now for the first time, Emily draws on her own story of creating a highly successful business—and loving the process—as she teaches us how to move forward in our own vocations and serve others at the same time. This is the start of something good. Get ready to build a life you love.

The Godfather Doctrine draws clear and essential lessons from perhaps the greatest Hollywood movie ever made to illustrate America's changing geopolitical place in the world and how our country can best meet the momentous strategic challenges it faces. In the movie The Godfather, Don Corleone, head of New York's most powerful organized-crime family, is shockingly gunned down in broad daylight, leaving his sons Sonny and Michael, along with his adopted son, consigliere Tom Hagen, to chart a new course for the family. In The Godfather Doctrine, John Hulsman and West Mitchell show how the aging and wounded don is emblematic of cold-war American power on the decline in a new world where our enemies play by unfamiliar rules, and how the don's heirs uncannily exemplify the three leading schools of American foreign policy today. Tom, the left-of-center liberal institutionalist, thinks the old rules still apply and that negotiation is the answer. Sonny is the Bush-era necon who shoots first and asks questions later, proving an easy target for his enemies. Only Michael, the realist, has a sure feel for the changing scene, recognizing the need for flexible combinations of soft and hard power to keep the family strong and maintain its influence and security in a dangerous and rapidly changing world. Based on Hulsman and Mitchell's groundbreaking and widely debated article, "Pax Corleone," The Godfather Doctrine explains for everyone why Francis Ford Coppola's epic story about a Mafia dynasty holds key insights for ensuring America's survival in the twenty-first century.

Be the person who doesn't just dream dreams, but actually lives them! Everyone has a dream, but far too many settle for the status quo. Death to a dream can cause death to the life you were possibly meant to live—but it's never too late to begin again and dare to believe again. Dare to Believe Again will give you step-by-step guidelines for living an audacious, adventurous life when abandoned to God's call. It also includes "The Dream Plan" guide, powerful life-changing stories, biblical instruction, and challenging questions; it is perfect for individuals or groups. Fan the embers of your dreams into a blazing fire of reality!

Thinkers50 Management Thinker of 2015 Whitney Johnson has a goal: to help us identify and achieve our dreams. Her belief is that we can each achieve greater happiness when focusing both on our dreams and on other people in our lives. In this inspiring book, Johnson directs her attention to teaching women, in particular, a three-step model for personal advancement and happiness. She first encourages us to Dare to boldly step out, to consider disrupting life as we know it. Then she teaches us how to Dream, to give life to the many possibilities available, whether to start a business, run a marathon, or travel the world. She shows us how to "date" our dreams (no need to commit!) and how to make space for dreams. Finally, Whitney's model brings out the businesswoman in her; she teaches us to Do, to execute our dreams. She showcases the importance of sharing dreams with others to give them life, creating your own "dream team." Rich with real stories of women who have dared to dream, Dare, Dream, Do offers a practical framework for making remarkable things happen.

This book is audacious enough to dare you to live fearlessly to rest completely in Gods love and to let that perfect love drive out your fears. The goal of this book is more than to inform you, it is to transform you. This book recognizes that transformation is something that is nearly always gradual. True transformation takes time, effort, and persistence. Transformation does not happen immediately. This is why this book has a devotional structure: there are 14 chapters for two weeks of thinking about fearlessness. The two weeks have slightly different focuses: Week 1 investigates the foundation of a fearless life: What instructions does the Bible give us, and how do they combine to form the elements of fearlessness? Week 2 examines the tools in a fearless Christians toolbox: What does it look like to live out our God-given fearlessness? How does God equip us to do so faithfully? The two weeks combine to illustrate a picture of the fearless Christian life, and to show you that you can live fearlessly and boldly, rooted in the love of God.

From a veteran Fortune 500 executive, how women can reach andsucceed in top leadership positions Though women hold a majority of the managerial and professional jobs in the workforce, they occupy a mere 14% of C-suite positionsat Fortune 500 firms. To break through this stubborn glass ceiling,women must learn to take bold steps when career-defining monetarise. During her 33-year career at Southern Company, a Fortune 500utility company, Becky Blalock rose to become CIO in atraditionally male industry. Now she offers her own hard-wonadvice, as well as that of 28 top female executives, to show allaspiring women how to dare to reach the highest tier of leadershipand C-suite positions. Includes advice and mentoring lessons from top women businessleaders such as: Anna Maria Chávez, CEO of the Girl Scouts ofthe USA; Kat Cole, President of Cinnabon; Carol Tomé, CFO ofHome Depot; Dr. Beverly Tatum, president of Spelman College, andJeanette Horan, CIO of IBM, among many others Features straightforward, honest advice on gaining confidence, speaking up, finding mentors, learning to fail, building a networkof allies, managing others, and more Written by pioneering business leader Becky Blalock, with a foreword by Anne Mulcahy, former chairperson and CEO of XeroxCorporation Dare is must-needed guide for women everywhere, at everylevel, striving to develop the character, skills, andrelationships that deliver greater success in the workplace.

"For the person who wants to make "living their life" their work of art consider "Live Boldly" by Mary Anne Radmacher. It offers gentle challenges to readers to help them reach this goal." --Kathleen Sullivan, Librarian
