Unleashing Leadership: Aligning What People Do Best with

Unleashing Leadership is right on target -- alignment is essential for the organization and individual contributors as well as leaders. The book presents a system that is both a process and a tool kit. It's all there to effectively align the task with the leader, the team members with the leader, and talent with the position.

Unleashing Leadership: Aligning What People Do Best with

Leadership is a circle, not a ladder. Inverting the traditional pyramid of management structure requires a premeditated, purposeful, intentional, and methodical leadership system that aligns what people do best with what organizations need most. The ComposiTeam(tm) Leadership System is designed to do that and this book will show how to implement this system.

Unleashing Leadership: Aligning What People Do Best With

Unleashing Leadership sets the stage to focus everyone's unique talents and abilities on making your organization thrive as never before. Not by luck, by chance, nor edict from on high, but from a well-designed and engineered leadership system that ties everyone in your organization to the truth of the past, the irreplaceability of the moment, and the promise of the future.

Unleashing leadership - aligning what people do best with

We inspire an epidemic of integrity and leadership by modeling the way. Inspire. We believe the potential is there. We invite the willing to tap into underutilized talent. Epidemic. Good leadership is contagious. We unleash others to spread the impact rapidly beyond our reach. Model the Way. We preach only what we've practiced.
