# Access Free Water

Instrumentation  
is commonly  
selected through  
large-scale  
procurement  
exercises and  
framework  
agreements.  
These are  
required due to  
the total value  
of the  
technology being  
procured over an

# Access Free Water

asset management  
period (AMP). It  
is easy to  
criticise  
procurement  
processes for  
delivering  
standard  
solutions,  
selected  
primarily on  
price.
